## CEU'S AND INDEPENDENT LEARNING KITS DEADLINES

Child care trainings in the State of Michigan are currently being restructured. This restructuring will be completed by October 1, 2009.

To ensure that all providers receive credit for their training hours under the current training structure all independent learning kits will be discontinued on September 1, 2009. All outstanding kits **MUST** be returned with all paperwork **NO LATER** than September 30, 2009 to receive training credit and a completion certificate.

In addition, all CEU requests need to be completed and returned to Michigan State University Extension **NO LATER** than September 30, 2009. CEU requests that are received after September 30, 2009 will not be processed.
